

Report from Senior Committee  
April 15/26

Since my last report of March 16, we had the opportunity to celebrate St. Patrick's Day with our Monday Senior group. 144 patrons were present with 107 enjoying a delicious corned beef, cabbage and potato dinner. Thanks again to Billie and staff, as they were also preparing for the Tuesday Legion celebration. Season's Retirement were our sponsors and they came dressed to party. Thanks to Joe and Sharon for the mixture of Irish tunes played, along with some of the crowd favorites.

I am pleased to say that attendance has gradually been increasing with an average of 114 for the 3 weeks in March and 2 weeks in April. This is an increase of 14 since I last reported in March. I believe the nice weather is finally encouraging people to come out for a Great Time!! Our next themed dance will be on April 20 when we will celebrate the Rat Pack. We encourage all who attend to either dress formally or just in Black+White. Our sponsor for this day is Chartwell Retirement.

On May 4, we will celebrate Cinco Demayo with a Mexican themed dinner and, of course, margaritas from our bar patron MJ.

A big thank you to John Antaya for his donation of a transport chair to the Senior's Committee. Even though we have not had the chance to use the chair, we are hoping that we never have to use it, but caution prevails.

I also want to thank the committee members who have been stepping up to help at the dances...Peggy Caradonna, Dorothy Gamble who donated a popcorn treat for All and Pat Westfall. Also, another speedy recovery wish to our Senior Committee Co-chair Beth Abson.

Sue Robinson  
Senior Committee Co-chair
